

McSouth Steel
Joe M Jackson 23 yrs

To The Supreme Court

I Believe it is wrong to Deny a Person or Persons for their Right to Get what is Just Due to the Person or Persons I worked for the Company 23 years and was exposed to asbestos many times I Cant hardly Breathe now I am 75 years old my Breath is short I dont think the law Should be changed I dont think it is Right to change the law I think Every body should get what is Due

I hope this will help
Sincerely Joe M Jackson
